

HELIX

6-24x50 FFP

Looking for a riflescope that punches above its weight? We've designed the HELIX in a way that puts the important things first: clear glass, smart reticles, innovative features and a turret system superior to other products in the same price class. The turret system has been upgraded from your stock-standard sporting optic to feature stainless steel internals for resistance against wear-and-tear when dialling regularly - something that modern shooting disciplines require. The tool-free turrets and zero-stop mechanism give you high end features without breaking the bank, and the First Focal Plane reticle ensures precise reticle calibration at all magnifications.

We've introduced quality control checks to give you peace of mind when taking that 1000 yard shot, and if something goes wrong, our Platinum Lifetime Warranty has you covered!

CODE	MODEL	RETICLE
50044	HELIX 6-24x50 FFP	APR-2D MRAD
50045	HELIX 6-24x50 FFP	APR-2D MOA

SPECS

MAGNIFICATION RANGE	6-24x	
TUBE DIAMETER	30mm	
RETICLE POSITION	First Focal Plane	
OBJECTIVE LENS DIAMETER	50mm	
EYE RELIEF	3.7-4"	
FIELD OF VIEW	@100yds: 18.3-4.6ft	
CLICK VALUE	1/4 MOA (15 MOA / REV)	1/10 MRAD (6 MRAD / REV)
ELEVATION ADJUSTMENT RANGE	65 MOA	18.9 MRAD
WINDAGE ADJUSTMENT RANGE	40 MOA	11.6 MRAD
MINIMUM PARALLAX	10 YDS	10 METERS
LENGTH	14.3"	363mm
WEIGHT	26oz	373g
